TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—Each and every animal in each of the herds from which these cattle have been selected have been tested for T. B. and Bangs within one year of sale date, without one suspicious or positive reactor, and each animal selling has again been tested within 30 days of sale date. Health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

A certificate of registry properly transferred will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager, the association, nor the clerk of the sale, assumes any liability, legal or otherwise.

A Personal Invitation from The Consignors

The producers of Shorthorns throughout Pennsylvania extend you a cordial invitation to attend our Shorthorn Show and Sale on Thursday, May 12, 1949 at the Fair Grounds, Butler, Pennsylvania. We are extremely proud of our offering—females of exceptional blood lines and impressive bulls.

The cattle offered have been consigned by responsible producers within Pennsylvania with a few exceptionally good ones from Ohio and New York State. These herds have been in operation for many years. Their cattle are healthy. They are prolific. They comprise outstanding bulls and females of the Shorthorn breed.

We will welcome as our guests, breeders of Shorthorn cattle, members of 4-H clubs, farmers, ranchers, bankers, business and professional men and ladies. You will enjoy the show. You will find the individuals you need whether for herd improvement or for foundation purposes.

Hotel Accommodations are offered through the Nixon Hotel, Butler, Pennsylvania, only a short distance from the Sale Grounds. Its rooms are clean. They are comfortable. The dining room affords the best in foods—a wide variety. Those from a distance planning to stay over night should arrange for accommodations in advance at the Nixon Hotel.

Shorthorns are world leaders because they're Best in Every Weigh

IN THE FEED LOT

Among the inter-breed victories that Shorthorns have achieved already in 1949 is the coveted grand championship of carload feeders at the National Western Livestock Show in Denver. Pictured below is the grand championship carload of Shorthorn feeders, over all breeds, bred and exhibited by Josef Winkler, Castle Rock, Colorado, and they were sold at a world record price for feeder calves of 77c a pound. Three of the top four loads of feeder calves were Shorthorns.

The Swing is to SHORTHORNS

Not ONE — but THREE Consecutive International Grand Champion Steers Over All Breeds Under Three Different Judges!

1. Shorthorns this year enjoyed their greatest year in steer triumphs in interbreed competition throughout the nation.

2. Demand for Shorthorn bulls for cross-breeding has been the greatest in modern history topped off by the highest record in bull sale averages in 30 years at the International Shorthorn Congress sale.

3. The average price for Shorthorns at auction in 1947 went up 24 percent.

4. New members in the American Shorthorn Breeders' Association hit a new all-time high of 2,333 in 1947. In six years Association membership has doubled over the entire number for all previous time up to that date.
